Electric Glass Washer 115V Submersible

Built to handle the busiest of bars. Submersible Glass Washers run smooth and quiet. Their compact design saves space…ideal height restrictions are a problem behind the bar. SS -100 can also use a variety of brushes for all types of glassware. For added safety, the SS-100 features a Ground Fault Circuit Interrupter and all Submersibles include Bar Maid's heavy duty stainless steel safety clamp.
